2019 Sponsorship Levels and Benefits

Our 10th Anniversary Cade Prize will be awarded at this year's Cade Museum X Inventivity Bash. This year's X Inventivity Bash celebrates the prolific creativity & inventiveness of the early Greek & Roman cultures. Many of today's inventions and conveniences trace back to these innovative periods.

These cultures also celebrated the Fibonacci sequence through art and architecture and - like the Cade Museum - many of their greatest architectural structures were designed utilizing the Fibonacci sequence.

Sponsors of the Inventivity Bash will be showcased in our iconic museum throughout the Cade's signature annual event. Sponsorship will also include tickets to the Sweet 16 for the 10th Annual Cade Museum Prize, tickets to a special pre-event, and tickets to the X Inventivity Bash. Sponsorship includes other important benefits so please take a moment to review the enclosed sponsorship options. In the spirit of creativity, we also encourage you to create your own special benefit unique to your company (to be approved by Cade staff).

Your sponsorship supports the ongoing celebration of innovation within the state, and the Cade's mission to transform communities by inspiring and equipping future inventors, entrepreneurs, and visionaries.
